

ADVANCING EQUITY FOR WOMEN AND GIRLS.

Education & Training

Education helps women develop skills and knowledge as a pathway to professional opportunities and economic security.

Use AAUW resources to promote equity in education in your community.

Economic Security

Women still don't have equal pay and there are too few women in the highest-paying fields. We must create inclusive career pathways to attain economic security.

Get involved in AAUW's goal to train 10 million women in salary negotiation.

Leadership

Women are outnumbered by men in the most prestigious positions, from Capitol Hill to the boardroom. When we cultivate women leaders today, we create a brighter tomorrow. It is time for women's voices to be heard. Let AAUW amplify your voice

WHY AAUW?

AAUW breaks down barriers for women in education, in the workplace, and in our communities—locally, regionally, and globally.

Take up the issue that's closest to your heart and we'll connect you with the people, programs, and resources you need to make a difference in the lives of women and girls.

WHY YOU?

Your voice and your ideas are powerful. Maybe you'd like to empower local college women to be leaders or help a woman in your community get paid fairly.

It takes only one voice to start making a change. Imagine how much stronger that voice grows when joined by 170,000 friends!
